WAEH MEETING 2012

The WAEH 2012 meeting was organized by the Kim's Eye Hospital in Seoul - South-Korea and by the Rutnin Eye Hospital in Bangkok - Thailand. For all participating WAEH-members it was very inspiring to visit these wonderful hospitals, meet up with their teams and enjoy the outstanding Korean and Thai hospitality. All attendees really enjoyed the annual meeting which continues to attract more attention each year from members all over the world, currently even 21 members. Each year the annual WAEH meeting continues to improve, but South-Korea and Thailand have now set the inspiring new standard for the next meetings!

During the 2012-meeting two eye hospitals became a member of the WAEH and the Kim's Eye Hospital even upgraded from an associate membership to a full membership.

FEEDBACK FROM NEW MEMBERS

What did you get out of this meeting:

Sydney Eye Hospital:

- Opportunity to network with similar Eye Hospitals
- Learn about new trends
- Strategies for implementation of projects/initiatives- shared glaucoma projects, role of advanced nurse practitioner in clinics in reducing waiting times
- The way patient information being delivered - only pictures less words

The Sydney Eye Hospital will implement rightaway:

1. Patient information with less words and more visual pictures
2. Shared glaucoma project

Aravind Eye Hospital:

- Exchange knowledge and information about EMR-projects all over the world

Cao Thang International Eye Hospital

- Learn various business models from leading eye hospitals
- The usage of Avasti
- Process Improvement

The Cao Thang International Eye Hospital will implement right away

- Introduce Avastin into treatments for our AMD/ Diabetic Retinopathy patients
- Introducing the Online Booking Tool, Ticketing System for Examination Room and VoIP Hotline to support eye emergency cases
